

Bedford Bi-folds Ltd

Dear Customer,

Thank you for booking your door and window appointment at our new showroom in Bedfordshire.

We would like to inform you of the measures we are taking to ensure we all remain safe during your visit with us.

Currently we require all our visitors and staff to wear a facemask when you're within the showroom. There is a hand sanitiser dispenser at the entrance for you to use. If you do not have a facemask, we can provide one for you.

Hopefully these measures will not remain in place very long and we will continue to update you. However, as the increase in Covid transmission is increasing we would like to assure you that we are remaining vigilant. Ensuring we do what we can to keep everyone safe during visits to our showroom. Any questions please do not hesitate to contact us.

Kind regards

The Bedford Bi-folds Ltd Team
